Products

Regim A is a unique, advanced, medically accepted, results driven, anti-ageing, skin rejuvenating range manufactured exclusively for the use of doctors and skin care professionals. Multiple award winning, Regim A's status is cemented as a skin care leader in the world market. Ensuring actives are used at maximum efficacy, Regim A is a cosmeceutical focusing not only on aesthetics but skin health.

The future of beauty - The line has expanded to include natural nail, hand, foot, make-up spa, microblading, permanent make-up, waxing, sugaring, facial care and eyelash products. Every LCN product remains the result of careful research, educated industry professionals, and a flawless eye for the future of beauty.

The Balsan Treatment is formulated for people with Diabetes. No cutting. Safe for any type of feet.

South Africa's most versatile, detoxifying, contouring body wrap techniques. Range of products work together with the contour gel to retain body heat in conjunction with 27 active plant extracts in the non allergenic gel thus reducing fluid and stretch marks. It is draining and firming, leaving the skin satin smooth.

The world no.1 in professional waxing systems. One of the best things about Depilève is the choice of techniques and products available.
